TM

AGENDA TITLE: Public Hearing to Consider Resolution Adopting Final Engineer's Annual Levy Report for Lodi Consolidated Landscape Maintenance Assessment District No. 2003-1, Fiscal Year 2009/10, and Ordering the Levy and Collection of Assessments

MEETING DATE: June 17, 2009

PREPARED BY: Public Works Director

RECOMMENDED ACTION: Conduct a public hearing to consider resolution adopting the Final Engineer's Annual Levy Report for Lodi Consolidated Landscape Maintenance Assessment District No. 2003-1, Fiscal Year 2009/10, and ordering the levy and collection of assessments,

BACKGROUND INFORMATION: Over the past five years, the City Council has formed a total of 16 zones of the Lodi Consolidated Landscape Maintenance Assessment District No. 2003-1 (District). There were no annexations in FY 2008/09. The scope of maintenance activities funded by the District includes 1) landscape and irrigation, 2) masonry block walls, 3) street parkway trees, and 4) public park areas. The activities and levy amount vary by zone, as described in the attached report, City of Lodi Consolidated Landscape Maintenance Assessment District No. 2003-1, Annual Engineer's Report (Report) Fiscal Year 2009/10.

The Report describes the general nature, location and extent of the improvements to be maintained and an estimate of the costs of the maintenance, operations, and servicing for the improvements. The Report includes a diagram for the District showing the area and properties proposed to be assessed; an assessment of the estimated costs of the maintenance, operations and servicing for the improvements; and the net levy upon all assessable lots and/or parcels within the District. The total assessment for the District for Fiscal Year 2009/10 is \$147,377.60. The assessments range from \$7.53 to \$344.69 per Dwelling Unit Equivalent (DUE). The assessments per DUE vary because the specific improvements maintained in each zone are different. The average assessment per DUE is \$152.15.

Notice of this public hearing was posted in the *Lodi News Sentinel*. Individual notification to the property owners is not required and, therefore, not sent.

The action requested of the City Council is to approve the Final Report and order the levy and collection of the assessments.

FISCAL IMPACT: Funding for preparation of the Report is included in the assessments

Total District assessment:	\$147,377.60
Assessment range per DUE:	\$7.53 to \$344.69
Average assessment per DUE:	\$152.15

FUNDING AVAILABLE: Not applicable.

2. OVERVIEW

This report describes the District and details the assessments to be levied against the parcels therein for Fiscal Year 2009/10. Such assessments account for all estimated direct & incidental expenses, deficits/surpluses, revenues and reserves associated with the operation, servicing and maintenance of the improvements.

The word “parcel,” for the purposes of this report, refers to an individual property that has been assigned an Assessment Number by the San Joaquin County Assessor. The San Joaquin County Auditor-Controller uses Assessment Numbers and specific Tax Codes to identify the parcels assessed on the County Tax Roll within special benefit districts.

2.1 District Formation and Annexation History

The District is currently comprised of 16 distinct zones within the City. New zones may be annexed into the District if approved via property owner balloting proceedings.

ZONES 1 AND 2

A report was prepared in 2003 for Zones 1 and 2. Property owner balloting proceedings were conducted, effective for the Fiscal Year 2004/05 assessment. After attaining property owner approval, the City began levying and collecting these assessments on the San Joaquin County Tax Roll in order to provide continuous funding for the related improvements.

ZONES 3 THROUGH 7

In 2004, separate reports were prepared for Zones 3, 4, 5 & 6, and 7. Property owner balloting proceedings were conducted within Zones 3 and 4 for the Fiscal Year 2004/05 assessment and within Zones 5 through 7 for the Fiscal Year 2005/06 assessment. After attaining property owner approval, the City began levying and collecting these assessments on the San Joaquin County Tax Roll in order to provide continuous funding for the related improvements.

ZONES 8 THROUGH 12

A separate report was prepared in 2005 for Zones 8 through 12. Property owner balloting proceedings were conducted for the Fiscal Year 2005/06 assessment. After attaining property owner approval, the City began levying and collecting these assessments on the San Joaquin County Tax Roll in order to provide continuous funding for the related improvements.

ZONE 13

A separate engineer's report was prepared in 2007 for Zone 13. Property owner balloting proceedings were conducted for the Fiscal Year 2007/08 assessment. After attaining property owner approval, the City began levying and collecting these assessments on the San Joaquin County Tax Roll in order to provide continuous funding for the related improvements.

ZONES 14 THROUGH 16

A separate engineer's report was prepared in 2008 for Zones 14 through 16. Property owner balloting proceedings were conducted for the Fiscal Year 2008/09 assessment. Property owner approval was attained; the City will begin levying and collecting these assessments on the San Joaquin County Tax Roll in order to provide continuous funding for the related improvements.

2.2 *Effect of Proposition 218*

On November 5, 1996, California voters approved Proposition 218 (Government Code commencing with Section 53739) by a margin of 56.5% to 43.5%. The provisions of the Proposition, now a part of the California Constitution, add substantive and procedural requirements to assessments, which affect the City of Lodi landscape maintenance assessments.

The Act, Article XIID of the Constitution of the State of California and the Proposition 218 Omnibus Implementation Act are referred to collectively as the “Assessment Law”)

- A. A variable width (15 to 18 feet) irrigated, landscaped strip in the segmented median in W. Kettleman Lane (Highway 12) extending west from Ham Lane to Westgate Drive and having a total landscaped area of 36,505 square feet.
- B. A variable width (12 to 20 feet) irrigated landscape strip in the segmented median in Lower Sacramento Road extending south from the north boundary of parcel APN 027-410-06 (2429 W. Kettleman Lane) to the south boundary of APN 058-030-13 (1551 S. Lower Sacramento Road) and having a total landscaped area of 13,490 square feet.

Zone 16 consists of 2 commercial office parcels located on W. Kettleman Lane, west of Lakeshore Drive and east of Mills Avenue. The benefit from facilities within Zone 16 for each lot has been determined based on an acreage and land use basis.

Zone 16 includes 8.37 Dwelling Unit Equivalents.

In compliance with Proposition 218, an Assessment Ballot procedure for Zone 16 was held and ballots were tabulated at a public hearing where the property owners approved the new assessment. As this project is developed, plans and specifications for the amenity improvements to be maintained by the funds generated by Zone 16 shall be filed with the City and will be incorporated into this report by reference.

4. METHOD OF APPORTIONMENT

Pursuant to the Act, the net amounts to be assessed are apportioned by a formula or method that fairly distributes the net amount to be assessed among all parcels in proportion to benefits received from the improvements. The provisions of Article XIII C and XIII D of the California Constitution (Proposition 218) require the agency to separate the general benefit from special benefit, whereas only special benefits may be assessed.

IMPROVEMENT BENEFIT FINDINGS

The assessments outlined in Section 5 of this report are proposed to cover the estimated costs of providing all necessary service, operation, administration, and maintenance for each zone within the District. It has been determined that each assessable parcel within the District receives proportional special benefits from the improvements. The improvements were constructed and installed for the benefit of the parcels within the District in connection with their development; each parcel's relatively similar proximity to the improvements necessitates similar proportionate benefit allocation. Each parcel that receives special benefit from the improvements is assessed.

SPECIAL BENEFITS

The method of apportionment is based on the premise that each of the assessed parcels within the District receives special benefit from the improvements maintained and financed by District assessments. Specifically, the assessments associated with each zone are outlined in Section 5 of this report.

DESCRIPTION OF THE METHOD OF APPORTIONMENT

The District provides operation, service, and maintenance to all the specific local improvements and associated appurtenances located within the public right-of-ways in each of the various zones throughout the District. The annual assessments are based on the historical and estimated cost to operate, to service and to maintain the improvements that provide a special benefit to parcels within the District. The various improvements within each zone are identified and budgeted separately, including all expenditures, deficits, surpluses, revenues and reserves.

The assessments outlined in this section represent the proportionate special benefit to each property within the District and the basis of calculating each parcel's proportionate share of the annual costs associated with the improvements. The costs associated with the maintenance and operation of special benefit improvements shall be collected through annual assessments from each parcel receiving such benefit. The funds collected shall be dispersed and used for only the services and operation provided to the District.

The basis of determining each parcel's special benefit utilizes a weighting formula commonly known as a Dwelling Unit Equivalent (DUE). The developed single-family residential parcel is used as the base-unit for the calculation of assessments and is defined as 1.00 DUE. All other property types are assigned a DUE that reflects their proportional special benefit from the improvements as compared to the single-family residential parcel (weighted comparison).

To determine the DUE for multi-family residential (3 or more units), industrial, commercial or office parcels, a Benefit Unit Factor (BUF) is assigned to each property type. The assigned BUF multiplied by the parcel's specific acreage determines the DUE.

The following table provides a listing of the various land use types and the corresponding BUF used to calculate a parcel's DUE and proportionate benefit:

PROPERTY TYPE	BENEFIT UNIT FACTOR
Single-Family Residential	1.00 per Property
Multi-Family Residential (Duplex)	2.00 per Property
Multi-Family Residential (3 or more units)	5.00 per Acre
Commercial or Office	
For the First 7.5 Acres	5.00 per Acre
For the Next 7.5 Acres	2.50 per Acre
For All Acreage Over 15.0 Acres	1.25 per Acre
Industrial	4.00 per Acre
Exempt	Not Applicable
Other	Case-by-Case

Exempt – Certain parcels, because of use, size, shape, or state of development, may be assigned a zero DUE, which will consequently result in a zero assessment for those parcels for that fiscal year. All parcels having such a zero DUE for the previous fiscal year shall annually be reconsidered to determine if the reason for assigning the zero DUE is still valid for the next fiscal year. Parcels which may be expected to have a zero DUE assigned are typically parcels which are all, or nearly all, publicly landscaped, parcels in public ownership, parcels owned by a public utility company and/or used for public utilities, public parks, public schools, and remainder parcels too small or narrow for reasonable residential or commercial use, unless actually in use.

Area Adjustments – Parcels which have an assessment determined by area and which have a portion of the parcel occupied by public or public utility uses separate from the entitled use and located in easements, prior to the multiplication by the DUE, shall have the area of the parcel adjusted to a usable area to reflect the loss or partial loss of the entitled use in those areas. This reduction shall not apply for normal peripheral and interior lot line public utility easements generally existing over the whole subdivision.

As previously noted, the District is comprised of several distinct zones. These zones encompass specific developments where the parcels receive a direct and special benefit from the operation, service, and maintenance of the related improvements. The basis of benefit and proportionate assessment for all parcels within the District is established by each parcel's calculated DUE and their proportionate share of the improvement costs based on their proportionate DUE within the zone. The method used to calculate the assessment for each zone is as follows:

$$\text{Total Estimated Costs} / \text{Total DUE (Zone)} = \text{Assessment per DUE}$$

$$\text{Assessment per DUE} \times \text{Total DUE per Parcel} = \text{Assessment per Parcel}$$

ASSESSMENT RANGE FORMULA

Any new or increased assessments require certain noticing and meeting requirements by law. Prior to the passage of Proposition 218, legislative changes in the Brown Act defined the definition of “new or increased assessment” to exclude certain conditions. These conditions included “any assessment that does not exceed an assessment formula or range of assessments previously adopted by the agency or approved by the voters in the area where the assessment is imposed.” This definition and conditions were later confirmed through SB919 (Proposition 218 implementing legislation).

The purpose of establishing an assessment range formula is to provide for reasonable increases and inflationary adjustments to annual assessments without requiring costly noticing and mailing procedures, which could add to the District costs and assessments. As part of the District’s proposed assessment for Fiscal Year 2003/04, Fiscal Year 2004/05, Fiscal Year 2005/06, Fiscal Year 2007/08 and Fiscal Year 2008/09 balloting of property owners was required, pursuant to Proposition 218. The property owner ballots included an assessment to be approved, as well as the approval of an assessment range formula. Property owners within the District approved the proposed assessment and the assessment range formula.

The assessment range formula shall be applied to all future assessments within the District. Generally, if the proposed annual assessment for the current fiscal year is less than or equal to the maximum assessment (or adjusted maximum assessment), then the proposed annual assessment is not considered an increased assessment. The maximum assessment is equal to the initial Assessment approved by property owners adjusted annually by the following criteria:

1. Beginning in the second fiscal year, and each fiscal year thereafter, the maximum assessment will be recalculated annually.
2. The new adjusted maximum assessment for the year represents the prior year’s maximum assessment adjusted by the greater of:
 - (a) Five-percent (5.0%); or,
 - (b) The annual increase in the CPI.

Each year the annual increase in the CPI shall be computed. For Fiscal Year 2009/10, the increase in CPI is the percentage difference between the CPI of December 2008 and the CPI for the previous December, as provided and established by the Bureau of Labor Statistics (FY 2009/10 CPI increase is 0.00%). This percentage difference shall then establish the allowed increase based on CPI. The index used shall be all urban consumers for the San Francisco-Oakland-San Jose area. Should the Bureau of Labor Statistics revise such index or discontinue the preparation of such index, the City shall use the revised index or comparable system as approved by the Council for determining fluctuations in the cost of living.

If CPI is less than five-percent (5.0%), then the allowable adjustment to the maximum assessment is five-percent. If CPI is greater than five-percent (5.0%), then the allowable adjustment to the maximum assessment is based on CPI. The maximum assessment is adjusted annually and is calculated independent of the District’s annual budget and proposed annual assessment. Any proposed annual assessment (rate per DUE) less than or equal to this maximum assessment is not considered an increased assessment, even if the proposed assessment is greater than the assessment applied in the prior fiscal year.

The following table illustrates how the assessment range formula shall be applied.

Example	CPI % Increase	5% Increase	Max % Increase Without Re-Balloting	Prior Year Max Rate Per DUE	Increase Per DUE	New Max Rate Per DUE
1	5.25%	5.00%	5.25%	\$403.00	\$21.16	\$424.16
2	3.44%	5.00%	5.00%	\$403.00	\$20.15	\$423.15

For example, if the percentage change in CPI is greater than five-percent (5.0%), as in Example 1, then the percentage adjustment to the maximum assessment will be by CPI. If the percentage change in CPI is less than five-percent (5.0%), as in Example 2, then the percentage adjustment to the maximum assessment will be five percent (5.0%).

As previously illustrated, the maximum assessment will be recalculated and adjusted annually. However, the Council may reduce or freeze the maximum assessment at any time by amending the annual engineer's report.

Although the maximum assessment will normally increase each year, the actual District assessments may remain virtually unchanged. The maximum assessment adjustment is designed to establish a reasonable limit on District assessments. The maximum assessment calculated each year does not require or facilitate an increase to the annual assessment and neither does it restrict assessments to the adjustment maximum amount. If the budget and assessments for the fiscal year do not require an increase, or the increase is less than the adjusted maximum assessment, then the required budget and assessment may be applied without additional property owner balloting. If the budget and assessments calculated requires an increase greater than the adjusted maximum assessment then the assessment is considered an increased assessment. In order to impose an increased assessment, the Council must comply with the provisions of Proposition 218 (Article XIID Section 4c of the California Constitution). Proposition 218 requires a public hearing and certain protest procedures including mailed notice of the public hearing and property owner protest balloting. Property owners, through the balloting process, must approve the proposed assessment increase. If the proposed assessment is approved, then a new maximum assessment is established for the District. If the proposed assessment is not approved, the Council may not levy an assessment greater than the adjusted maximum assessment previously established for the District.

5. ESTIMATE OF COSTS

5.1 Definitions

Definitions of maintenance items, words and phrases are shown below:

Fiscal Year – One year period of time beginning July 1st of a given year and ending June 30th of the following year.

Landscape Maintenance Labor – The estimated labor costs of maintaining and servicing the trees, shrubs, turf and ground cover areas within the District.

Maintenance Materials & Supplies – The estimated cost of materials necessary for maintaining, cleaning and servicing the landscaped areas and parklands within the District.

Irrigation Water – The cost of water used for irrigating the landscaping improvements of the District.

Utilities – The cost of electricity used for irrigation within the District.

Equipment Maintenance & Operation – The cost of materials and labor necessary for maintaining, repairing, and operating equipment (includes vehicles, benches, playground equipment, graffiti and litter removal, etc.) used for all aspects of maintenance in the District.

Maintenance Personnel – The estimated cost for personnel to perform maintenance duties within the District.

Contract Maintenance – The estimated cost of performing contracted maintenance within the District.

Consultant – Costs associated with outside consultant fees in order to comply with Assessment Law and placement of assessment onto the San Joaquin County Tax Roll each year.

County Administration – Costs of the County of San Joaquin related to the placement of assessments on the tax roll each year.

Insurance – The estimated costs to provide insurance for District personnel and staff.

Reserves/Contingencies – An amount of 50% of the maintenance costs may be included to build a Reserve and Contingency Fund. The Act allows the assessments to "...include a reserve which shall not exceed the estimated costs of maintenance and servicing to December 10th of the fiscal year, or whenever the city expects to receive its apportionment of special assessments and tax collections from the county, whichever is later."

Total Dwelling Unit Equivalents – Dwelling Unit Equivalent (DUE) is a numeric value calculated for each parcel based on the parcel's land use. The DUE shown in the District/Zone budget represents the sum total of all parcels' DUE that receive benefit from the improvements. Refer to Section 4 for a more complete description of DUE.

Assessment per DUE – This amount represents the rate being applied to each parcel's individual DUE. The Assessment per Dwelling Unit Equivalent is the result of dividing the total Balance to Levy, by the sum of the District DUEs, for the Fiscal Year. This amount is always rounded down to the nearest even penny for tax bill purposes.

A RESOLUTION OF THE LODI CITY COUNCIL OF THE CITY OF LODI,
CALIFORNIA, CONFIRMING THE DIAGRAM AND ASSESSMENT OF
THE LODI CONSOLIDATED LANDSCAPE MAINTENANCE DISTRICT
NO. 2003-1 FOR FISCAL YEAR 2009-10

=====

WHEREAS, the Council previously completed its proceedings in accordance with and pursuant to the Landscape and Lighting Act of 1972, Part 2, Division 15 of the California Streets and Highways Code (commencing with Section 22500) ("Act") to establish the *Lodi* Consolidated Landscape Maintenance District No. 2003-1 ("Assessment District"); and

WHEREAS, the City has retained NBS Government Finance Group, DBA NBS, for the purpose of assisting with the annual levy of assessments within the Assessment District, and to prepare and file an Annual Report, in accordance with \$22567 of the Act; and

WHEREAS, the Council has, by previous resolution, declared its intention to hold a Public Hearing on the levy of the proposed assessment and notice of such hearing has been duly given, in accordance with \$22626 of the Act; and

WHEREAS, the Council has held and concluded a Public Hearing on the levy of the proposed assessment and has considered all objections.

NOW, THEREFORE BE IT RESOLVED, DETERMINED, AND ORDERED BY THE COUNCIL, AS FOLLOWS:

1. Purpose of Assessment: The assessment is to be levied and collected to pay the costs of operating, maintaining, and servicing the improvements described in the Annual Report, which is on file with the City Clerk.
2. Compliance with the Law: The assessment is in compliance with all provisions of the Act, Article XIII D of the Constitution of the State of California, and the Proposition 218 Omnibus Implementation Act.
3. Basis of Assessment: The assessment is based upon the estimated benefit from the improvements described in the Annual Report, which is on file with the City Clerk, and such assessment is calculated without regard to property valuation.
4. Confirmation of Diagram and Assessment: The Council hereby confirms the diagram and assessment, as detailed in the Annual Report on file with the City Clerk.
5. Levy of Assessment: Pursuant to \$22631 of the Act, the adoption of this resolution shall constitute the levy of an assessment for the fiscal year commencing July 1, 2009 and ending June 30, 2010.
6. Filing of Assessment: The Council hereby orders NBS to file the assessment, as confirmed, with the San Joaquin County Auditor-Controller.

Dated: June 17, 2009

RESOLUTION NO. 2009-65

A RESOLUTION OF THE CITY COUNCIL OF THE CITY
OF LODI, CALIFORNIA, DECLARING ITS INTENTION
TO LEVY AND COLLECT ASSESSMENTS FOR THE
LODI CONSOLIDATED LANDSCAPE MAINTENANCE
DISTRICT NO. 2003-1 FOR FISCAL YEAR 2009-10

=====

WHEREAS, the Council previously completed its proceedings in accordance with and pursuant to the *Landscape and Lighting Act of 1972, Part 2, Division 15 of the California Streets and Highways Code (commencing with Section 22500)* ("Act") to establish the *Lodi Consolidated Landscape Maintenance District No. 2003-1* ("Assessment District"); and

WHEREAS, the City has retained NBS Government Finance Group, DBS NBS, for the purpose of assisting with the annual levy of the Assessment District, and to prepare and file an Annual Report, in accordance with \$22567 of the Act.

NOW, THEREFORE, BE IT RESOLVED, DETERMINED, AND ORDERED BY THE COUNCIL, AS FOLLOWS:

1. Intention: The Council hereby declares its intention to levy and collect assessments within the Assessment District to pay the costs of the Improvements for the fiscal year commencing July 1, 2009 and ending June 30, 2010. The Council finds that the public's best interest requires such action.
2. Improvements: The Improvements include, but are not limited to: turf, shrubs, plants and trees, landscaping, irrigation and drainage systems, graffiti removal, and associated appurtenances within the public right-of-ways or specific easements. Services provided include all necessary service, operations, administration and maintenance required to keep the improvements in a healthy, vigorous, and satisfactory condition.
3. Assessment District Boundaries: The boundaries of the Assessment District are as shown by the assessment diagram filed in the offices of the City Clerk, which map is made a part hereof by reference.
4. Annual Report: Reference is made to the Annual Report prepared by NBS, on file with the City Clerk, for a full and detailed description of the improvements, the boundaries of the Assessment District and the zones therein and the proposed assessments upon assessable lots and parcels of land within the Assessment District.
5. Notice of Public Hearing: The Council hereby declares its intention to conduct a Public Hearing concerning the levy of assessments in accordance with \$22629 of the Act. All objections to the assessment, if any, will be considered by the Council. The Public Hearing will be held on **Wednesday, June 17, 2009, at 7:00 p.m.**, or as soon thereafter as is feasible, in the Council Chambers located at 305 West Pine Street, Lodi, CA, 95240. The Council further orders the City Clerk to publish notice of this resolution in accordance with \$22626 of the Act.

6. Increase of Assessment: The maximum assessment is not proposed to increase from the previous year above that previously approved by the property owners (as "increased assessment" is defined in §54954.6 of the Government Code).

Dated: May 20, 2009
